Students Will Be Sent Home In Case Nuclear Attack

Palm Beach County Schools will send pupils home as quickly as possible if warning is received that a nuclear attack is impending. Asst. Superintendent of Education Clyde Harris reported to the Board of Public Instruction Wednesday.

Harris said the plan had been agreed upon by a special committee organized late last month to devise a plan for school evacuation and to study feasibility of using schools as fallout shelters.

The school officials said that it had been determined that cost of converting schools to full out shelters would be very expensive and that it appeared more desirable to leave this phase of civil defense to municipalities and individuals.

Working with Civil Defense officials the committee agreed to send children home to parents so standard Civil Defense evacuation plans can be followed, Harris explained. He said children would be kept at school only if warning time was too short to allow pupils to reach homes safely.

He added the committee plans to draft a letter to be distributed to parents explaining the exact procedure to be followed by each school in the event of a nuclear attack warning.

First Offerings Corn Bring \$2.75

First fall offerings of sweet corn have been bringing \$2.75 per crate since harvest started early last week. Hull Packing Company was one of the first to bring in the new corn. It is expected that about seven farmers will be offering sweet corn by the middle of next week.

Bacom Point Job To Come Up For Bid

A Glades road, in the planning stages for two years, will be up for bids Oct. 24, the county commission has learned.

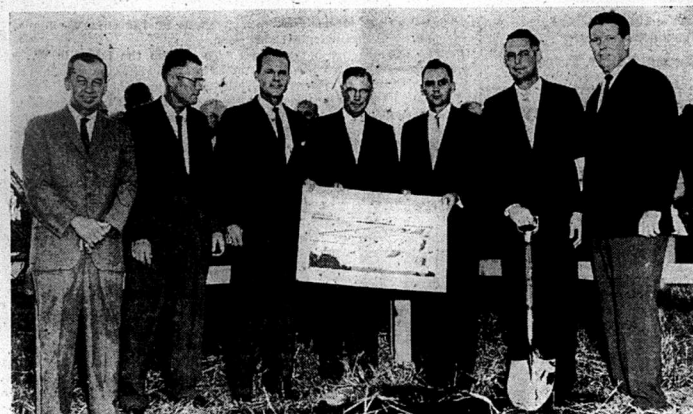

The state road department notified the commission that improvement of 2 mile of Bacom Point road in Pahokee will be one of the bids to be opened at Tallahassee later this month.

The road board also notified the commission that it had received a petition of protest for four laning U. S. 441 through Pahokee and that the petition will be considered in future planning for highway improvement. The commission voted to send copies of the road board's letter to the Pahokee Lions Club and the Pahokee Garden Club.

TO VISIT CANAL POINT

Mrs. Charles Sears and son, Reid, of Decatur, Ga., will arrive the first of the week to spend several days with her parents, Mr. and Mrs. Homer Barnes of Pahokee and Mr. Sears' parents, Mr. and Mrs. H. H. Sears of Canal Point.

THEY WILL GUIDE DESTINY OF NEW GLADES SUGAR CO-OP

If it takes youth, determination, aggressiveness, stick-to-it-iveness and hard-headed business ability to put across a new venture, then the success of the Sugar Cane Growers Cooperative of Florida is already assured. There is a little bit of all that in the group shown above who represent the official family of the new Co-Op. They were present, of course, for the Ground Breaking of the new Glades Sugar House and the photographer snapped the above picture and The Everglades News (serving the Glades untiringly for 37 years) hereby records it for posterity. Shown left to right, are: Directors: Billy Rogers, Lewis Friend, Joe Tom Boynton, Roscell Wilson and Fritz Stein; President George Wedgworth and Vice President Robert Apgren. Not in the picture is another director: John Tiedtke and Secretary-Treasurer Walter Kautz.

Pahokee Chamber Officials Take Over Their New Duties

Following a sumptuous dinner at the Elks Clubroom on Monday night of this week new Pahokee Chamber of Commerce officials were inducted into their offices with Bob Fisher taking over the head job as president of the organization, succeeding Karl Mindlin who served during the past year.

Judge James L. Tyson, Jr., was inducted into the position of vice president and E. A. Jensen took over as treasurer. Mrs. Duncan Padgett will remain with the chamber as executive secretary. The induction ceremony was under the direction of County Commissioner Paul Rardin.

Holdover directors presented by Com. Rardin to the huge throng present for the evening were: Luther York, C. E. Williams, Luke Dufresne, Oscar Dobrow, C. R. Wetherington and C. L. Shirley, Jr. Outgoing directors were: Karl Mindlin, Doris Sasser, Otto Blech and Wiley Tillis.

New directors taking up their duties for the first time were: Frank Gillis, Hon. James L. Tyson, Jr., Ray Hatton and David Uwin.

Band Director R. O. Lampi presented three of his band members in a musical interlude following the dinner and preceding the featured speech of the evening. David Beede played a flute solo and Buddy Lampi played a trombone solo with Miss Alice Elaine Hurt at the piano.

Featured speaker of the evening was Cecil B. Kelly, publisher of the Palm Beach Post and Palm Beach Times. He replaced the formerly scheduled speaker, M. E. (Jack) Cox of the WPB Chamber of Commerce who was ill. Mr. Kelly was

introduced by Com. Rardin.

Taking for his subject, "Organized for Action," Mr. Kelly pointed out the many advantages of a well organized chamber of commerce and the untold accomplishments possible under proper direction.

Mr. Kelly concluded by saying: "We are going to suggest this coming year to your organization and to all other Chambers of Commerce in the county, the establishment of a Palm Beach County Council of Chambers of Commerce."

"We believe that such a vehicle, in which there would be equal representation through the managers and officers of all the various chambers, can be a most effective instrument for accomplishing and achieving the program that this county must have."

"We can be realistic—all of us are not going to agree on everything. But I think you can visualize some of the things that could be accomplished simply through the existence of such an organization—a forum where we can learn more about each other's problems and, even more important, come to realize how many problems we have in common."

"I sincerely hope that you folks will give this your very serious consideration during the next few months because I honestly believe that some such vehicle as this is essential to all of us. We all must work for our individual communities but on many things it has come to the point where we must first work for Palm Beach County."

State Senator Ralph Blank of West Palm Beach and State Rep-

resentative Emmett S. Roberts of Belle Glade were among the state dignitaries present. Ed Reddy, newly elected president of the WPB Chamber of Commerce was also present and gave the local chamber a few words of greeting and encouragement.

Karl Mindlin in summing up the past year's accomplishments pointed to the new industries which have come into the area and predicted more would come in the not too distant future.

Belle Glade Ties Stuart Squad 6-6

Suncoast Conference rivals the Stuart Tigers and the Belle Glade Rams played to a 6-6 tie last Friday night before a crowd of 1,800 in Stuart.

The Rams score came with only 30 seconds left in the first half when the Belle Glade quarterback, Dwight Ward, went through from the one on a sneak. Ted Roman, left guard, missed the kick for the point.

Stuart took the kick in the third quarter and marched 60 yards in eight plays with left half Pete Valentino scoring from the five on a right end sweep. Phillip Matthews' kick was deflected and the scoring was finished for the evening.

An 80-yard drive in 20 plays in the fourth quarter brought Stuart across the Belle Glade scoring line but the final play was nullified by a backfield in motion call against the Tigers.

Fort Pierce Comes To Pahokee Tonite

The Pahokee Blue Devils will do battle with Fort Pierce high school tonight on the Pahokee Field at 8 o'clock. The Blue Devils are riding high with four wins under their belt and the game tonight will really test their ability. Fort Pierce, through the years they have been playing Pahokee, have never been a set-up for the local squad. A big crowd is expected to witness the battle.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

*"Today we need a nation of Minute Men....
citizens who regard the preservation of freedom
as a basic purpose of their daily life...."*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration
as the 35th President of the
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unrelenting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

Christian Science Group Of Canal Point

The healing and redemptive power of divine Truth will be brought out at Christian Science services Sunday in the Lesson-Sermon on the subject "Doctrine of Atonement."

Peter's healing of the lame man as related in Acts (4) will be included in readings from the Bible, together with him reply to those who questioned him regarding the source of his healing ability. "Be it known unto you all, and to all the people of Israel, that by the name of Jesus Christ of Nazareth, whom ye crucified, whom God raised from the dead, even by him doth this man stand here before you."

One of the correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "The same power which heals sin heals also sickness. This is 'the beauty of holiness', that when Truth heals the sick, it casts out evils, and when Truth casts out the evil called disease, it heals the sick" (p. 135).

Victory Class Of Pahokee Methodist Church Honors Mrs. Vena Mae Schroder

The Victory Class of the First Methodist Church of Pahokee honored Mrs. Vena Mae Schroder of Pahokee, Sunday, October 8 at Sunday School with a Vena Mae Schroder Day. Mrs. Christine Fraser was Program Chairman and introduced Mrs. Christine Elliott, who presented Mrs. Schroder with a beautiful corsage. Mrs. Uldene Todd read an original poem, "To Her Give Praise."

Mrs. Helen Jean Boynton, presented Mrs. Schroder with a book including the poem and signatures of the 60 class members. Several pictures were made during the program and will later be added to the book. Later the entire Sunday School group assembled on the steps of the church for a group picture.

There have been numerous requests of Mrs. Todd for this poem, and it is printed below:

TO HER GIVE PRAISE

She is a woman filled with passionate zeal,
Who teaches that God, your sickness can heal;
That at his feet in meekness, we must kneel,
Then we can his Holy Presence feel.

Christ can cast away all doubt and fear,
Thought we have suffered many a year;
In the storms of life his presence is near,
This blessed Lamb of God so dear.

Dying, Christ purchased salvation for me,
That his blood alone can make me free;
If I'll find the cleansing stream of Calvary,
Where Christ calmed the Sea of Galilee.

God comes to the Church to seek his bride,
That for us on Golgotha's Hill he died;
In the shadow of the Cross we can hide,
There under his wing ever to abide.

She teaches that seed sown, yield either good or bad,
That each seed grows, cheering or making sad;
That we must trust Christ, and not a passing fad,
That Christ alone can save and make the heart glad.

That sight is not just a vision of the eye,
But God's word his in the heart, not dormant to lie;
Never to look back at the world with a weary sigh,
Though we're weak and heavy laden, Christ is always nigh.

So Vena Mae, You, Your class will always love,
And will lift you up in prayer to God above;
That over you will rest the heavenly dove,
We know that to His will, you will bow in humble love.

This was written by Mrs. Uldene Todd, Sept. 17, 1961 portraying in poem some of the thoughts gleaned from Sunday to Sunday while a member of her Sunday School class.

It's true, fellows! You don't have to buy a thing to enter... or to compete in the PUNT, PASS & KICK Contest sponsored by Ford Dealers in cooperation with the National Football League.

Then... since the contest is divided into age groups, you'll compete against boys your own age in punting, passing and place-kicking! The total of points scored in each event will determine the

winners. Lots of prizes to win, too. How would you like an official NFL uniform... warm-up jacket? Or a trip to the NFL game in your area? Or a trip to the NFL Championship game with your dad? Or a trip to the White House? They could be yours... so register now! But remember, you must be accompanied by your father, mother or legal guardian in order to register.
